

# Ma Petite Planète

The link: <https://mapetiteplanete.org/>

## SHORT DESCRIPTION

Ma Petite Planète (MPP) is a nonprofit organisation offering a 3-week team-based ecological challenge designed to inspire action for the planet through fun and engaging missions. Participants, grouped into leagues, complete eco-friendly tasks to earn points and boost their team's score. The challenge is open to various groups, including friends, families, colleagues, and students from kindergarten to university. Possible to play via mobile app or even on a computer.

## SUGGESTIONS

Ma Petite Planète" is a fun, engaging, and interactive way to present and support concepts related to environmental challenges such as recycling, waste reduction and sustainability.

How to join & play?

1. Sign up and download the app (iOS, Android, or web app) and create an account.
2. Create or join a "ligue" (team).
3. Start the 3-week challenge.
4. Complete daily eco-challenges from various themes: waste, energy, biodiversity, mobility, food, DIY, etc.
5. Post proof & Validate.
6. Track your impact & habits. After the challenge, assess your attitude and see if you notice changes.
